

Supporting rural decisions with trusted MPAC data

ROMA Conference

January 19, 2026

Rural municipal realities

**Growth and
decline**

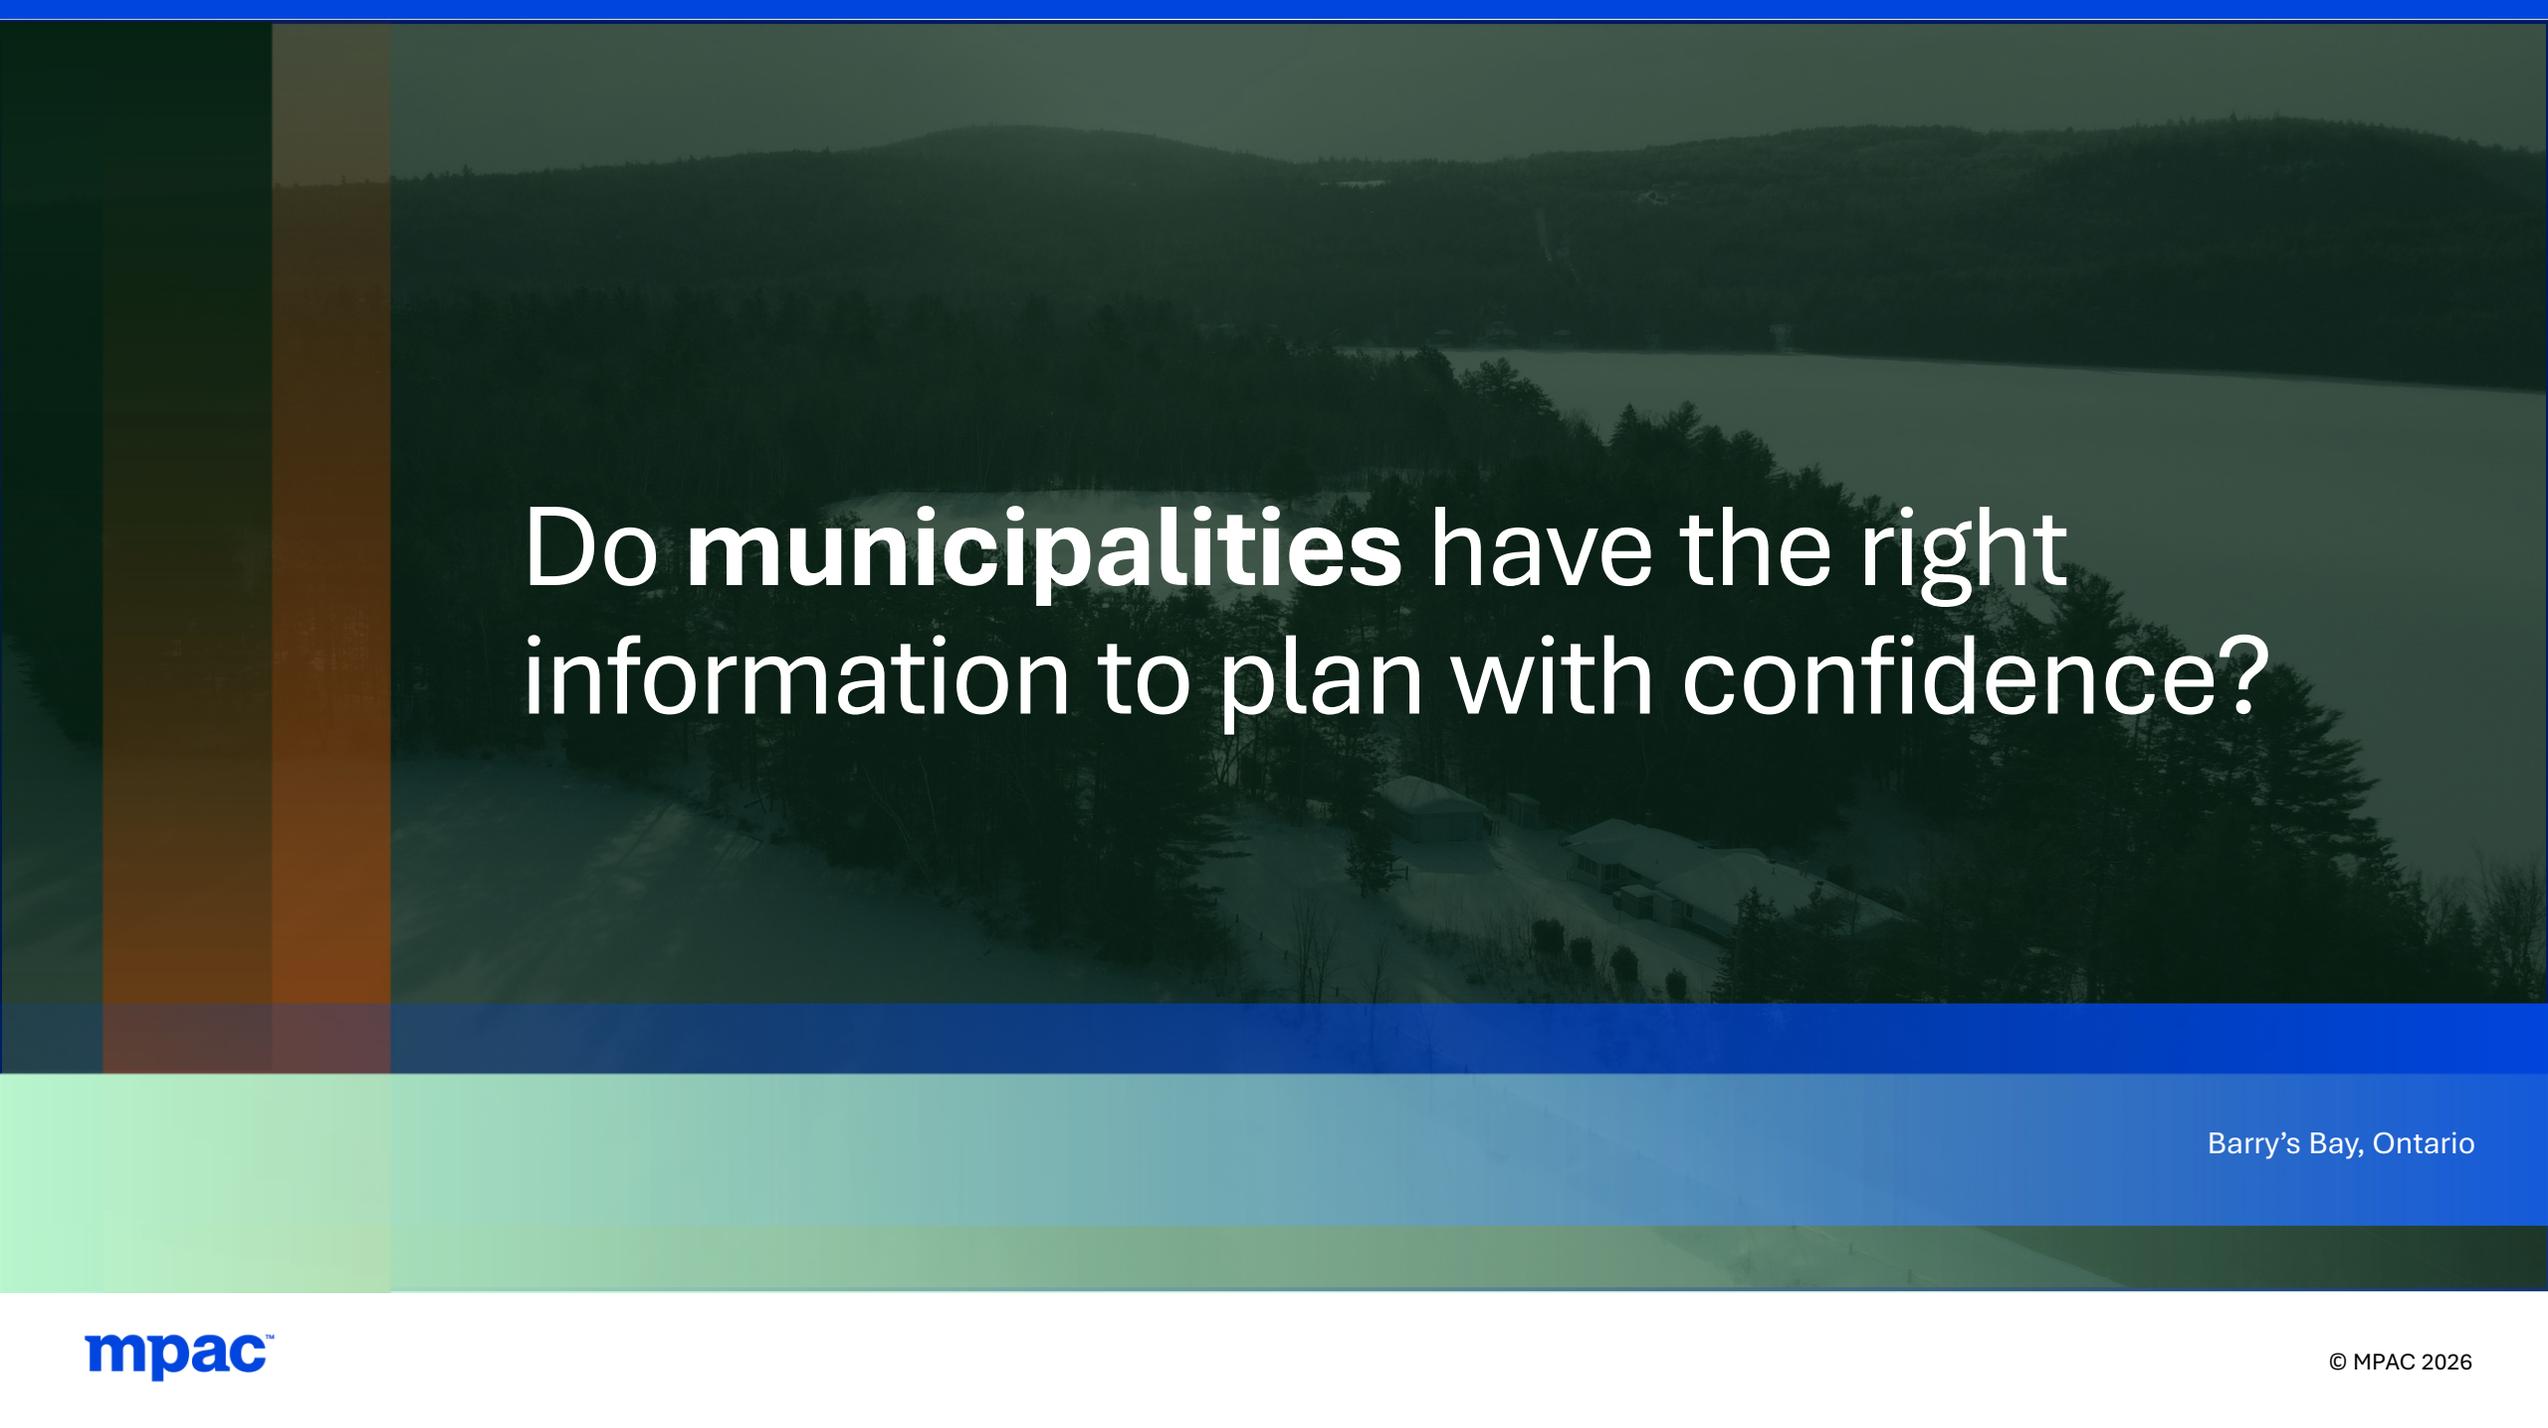

**Infrastructure
and services**

**Housing
needs**

**Economic
resilience**

Do **municipalities** have the right information to plan with confidence?

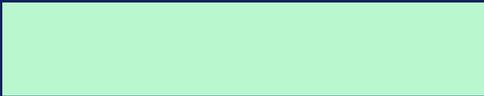

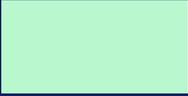

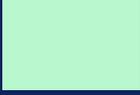

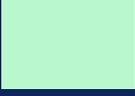

Barry's Bay, Ontario

Southgate		\$78.3M

A woman with short blonde hair and glasses is shown in profile, looking at a laptop screen. She is wearing a light-colored top with a dark floral pattern. The background is a blurred indoor setting. The image is overlaid with a semi-transparent dark green filter. At the bottom of the image, there are horizontal bars in shades of blue and green.

We want to hear from you.

Guiding questions

- How comfortable are you with the details of the assessment system? Is there anything MPAC could help you understand better?
- How does MPAC data currently support your municipality and where could data be more useful or better aligned with your needs?
- What does being a “valued partner” look like from your perspective?
- How can MPAC better support your priorities moving forward?
