

Local Media and Social Media Engagement Toolkit 2026 ROMA Conference

The 2026 Rural Ontario Municipal Association (ROMA) Conference runs from Sunday, January 18 to Tuesday, January 20. This year's conference theme is **ROMA 2026: Ontario's Rural Leaders Conference**. The three-day event will serve as a key moment for municipal and provincial officials to connect on the unique challenges faced by rural municipalities.

In addition to the conference program, municipal staff and officials will participate in hundreds of municipal delegation meetings with provincial ministries. Delegation meetings are an opportunity for municipal leaders to discuss key issues that are top-of-mind for municipal governments directly with provincial ministries.

Please help ROMA maximize media and social media coverage of municipal priorities, recognizing that participation and public engagement is an opportunity to demonstrate and emphasize that municipal councils and staff are leading by example.

Social Media and Media Advisory Templates

We have attached templates that will make it easy to share content on Facebook, X, LinkedIn or Instagram. We encourage you to create your own content using the conference hashtag, #ROMA2026, and to follow ROMA on its social media accounts, including [LinkedIn](#), [Facebook](#) and Instagram.

We are also attaching a template Media Advisory that will help you prepare notices for local media. Media may attend the conference and must register at the Media Room upon arrival. The template advisory provides the details.

Reporters are always looking for the local angle to a broader story, so please make yourself available for interviews throughout the conference. It's an opportunity for you to highlight the hard work municipalities are doing together through ROMA to address matters that concern your community.

Lastly, you may be wondering if you are a ROMA member. The answer, most likely, is "yes." ROMA does not have membership fees or a formal membership fees process. As an organization, it serves rural municipalities and rural areas within municipalities. ROMA serves as the rural voice under the umbrella of the Association of Municipalities of Ontario (AMO). Most of Ontario's 444 municipalities have rural areas and interests. If you do, and are a member of AMO in good standing, then you are part of ROMA.

Conference Highlights and Details

Key presenters for the 2026 conference include Ontario Premier Doug Ford and opposition leaders. For the first time, ROMA will offer two Ministers' Forums focused on specific themes and providing an opportunity for greater engagement between delegates and provincial representatives. The program features dozens of speeches, sessions and workshops focused on issues that matter most to rural Ontarians.

Participants will also learn about ROMA's advocacy priorities. ROMA continues to advocate for improved access to rural healthcare services, stable and reliable funding for rural infrastructure, and more.

Other sessions will cover topics ranging from rural road safety and managing abandoned cemeteries to codes of conduct and improving municipal public-facing communications.

In addition to the [conference program](#), municipal elected officials will take part in hundreds of delegation meetings with provincial ministries.

Please take a moment to review the program and identify the sessions that may be of interest to your community and local media. Familiarizing yourself with the content will make it easy for you to explain how your attendance at the conference will benefit your community. Full program details are available [here](#).

If you have any questions or need any help with the templates, do not hesitate to contact Megan Abraham at Redbrick Communications, at abraham@redbrick.ca.

Sincerely,

Petra Wolfbeiss, Director
